

Reflections (flips)

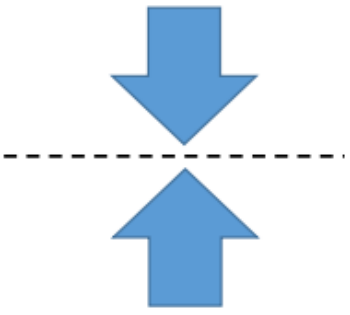

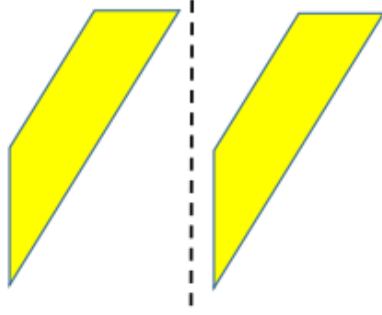

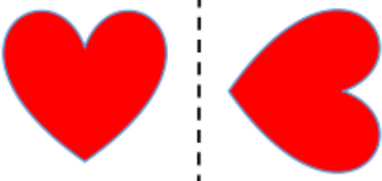

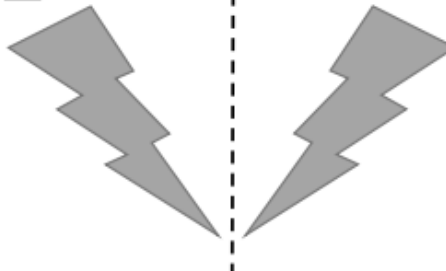

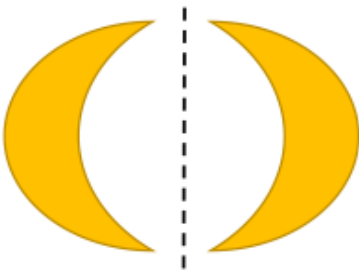

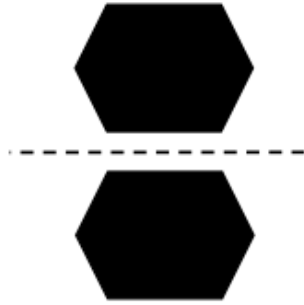

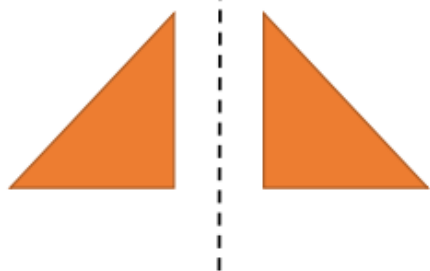

Grade 4 Geometry Worksheet

Date: _____

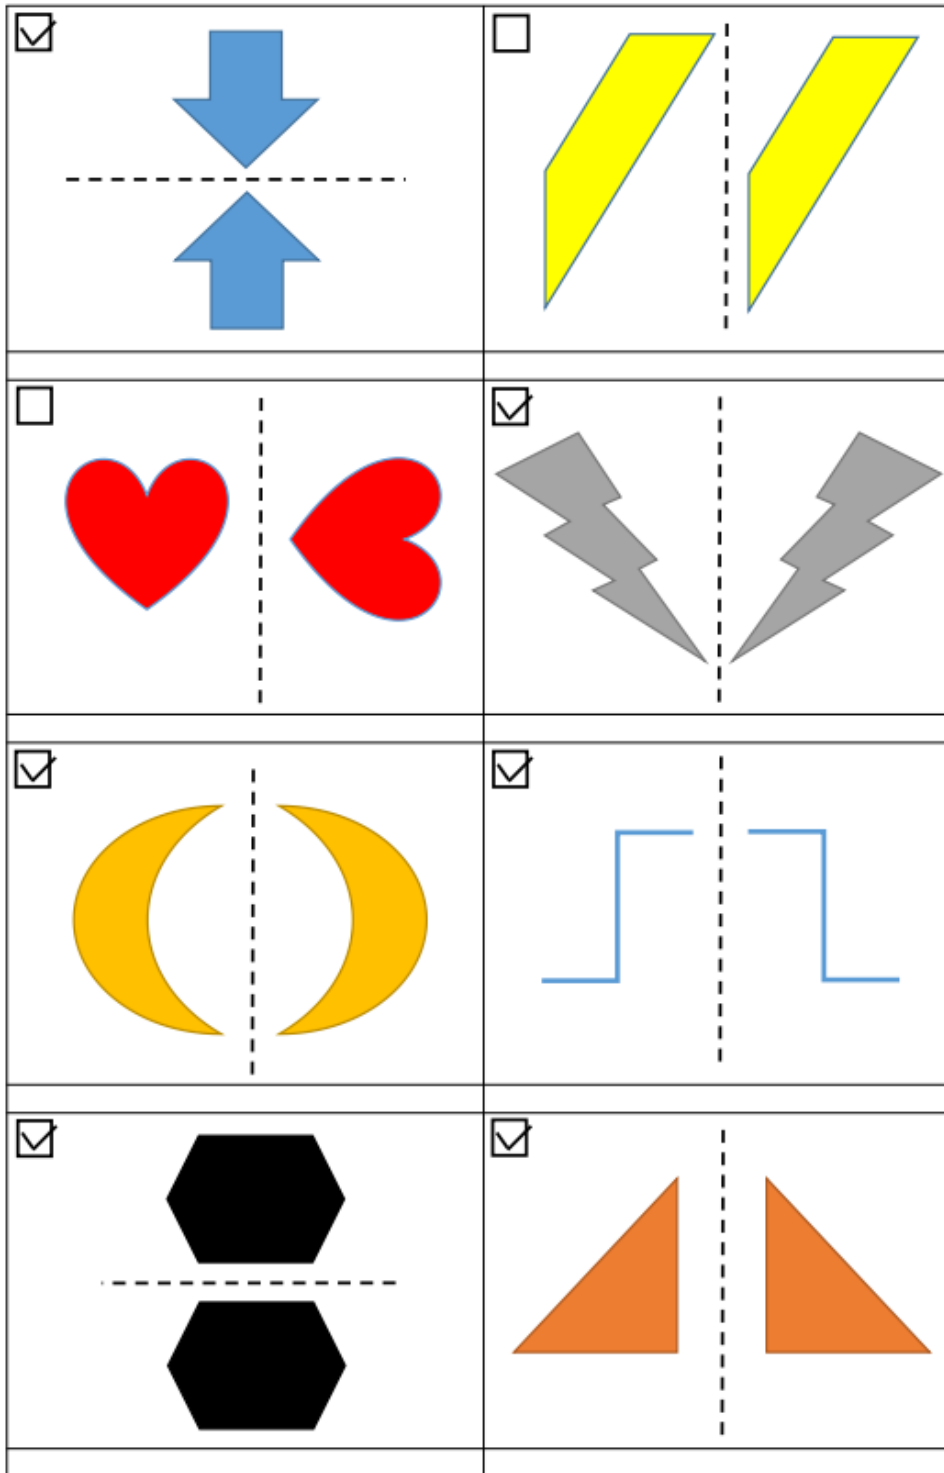

Name: _____

LET'S MAKE LEARNING FUN

Check the boxes that show reflections.

<input type="checkbox"/> 	<input type="checkbox"/> 
<input type="checkbox"/> 	<input type="checkbox"/> 
<input type="checkbox"/> 	<input type="checkbox"/> 
<input type="checkbox"/> 	<input type="checkbox"/> 

Answers – Reflections (flips)

Notice that: A reflection is a shape or pattern that is reflected in a line of symmetry. It has the same size and shape as the original shape, but is flipped.
