GODSWILL ORI AJABA

Eto Baba RD. Ugwan Rukuba Jos, 930232 • 09011848629

• ajabagodswill@gmail.com

Backend developer with a strong foundation in JavaScript, Python, and SQL. Demonstrated ability to design and develop web APIs that are well-documented, easy to use, and secure. Eager to contribute to a collaborative and supportive environment where I can learn and grow as a developer. Familiarity and experience in frontend frameworks like React.js and tailwindcss.

Experience

INTERN, MAY 2021– NOVEMBER 2021
nHub Nigeria Jos, Plateau State
