

LEKAN SEYI OGUNLEYE

43, Akeredolu Street, Off Oluwo Bus Stop, Oyo State Nigeria.

07035687575

email: ogunleyeseyi97@gmail.com

CAREER OBJECTIVE

To share my passion for chemistry with students and cultivate a classroom atmosphere that encourages curiosity, inquiry, and problem-solving. I am committed to continuous professional development and fostering a love of science in my students, equipping them with the skills they need to thrive in both academic and real-world environments.

WORK EXPERIENCE

2020-tilldate **Chemistry Teacher at Excellent Foundation College, Lagos**

- . Creating lesson plans
- . Getting ready for and presenting lectures
- . Coming up with and overseeing student laboratory activities
- . Assessing student performance, keeping track of classroom materials
- . Observation of qualitative analysis, experimentations involving quantitative analysis, records readings, and calculates solution temperatures, and interpretation and discussion using charts and graphs.

EDUCATIONAL QUALIFICATIONS

2014-2020 **Federal University of Agriculture, Abeokuta**

Bachelor in Environmental Management and Toxicology with a grade of Second Class Upper division

- Forest resource conservation, Herbal medicine and Waste management.
- Phytochemical screening, Phytoremediation, Toxicological and pesticidal effects of phytochemicals
- Phytochemicals as alternatives to synthetic chemicals.
- Analytical chemistry and chemical research.
- Environmental sampling and monitoring.
- Quality Assurance and Quality Control.

2011-2014 **Tai Solarin College of Education Omu Ijebu, Ogun State**

Nigeria Certificate in Education (NCE) Course of Study: Mathematics and Chemistry, with a grade of distinction in course combination.

- Natural dye sensitized solar cells
- Analytical chemistry and chemical research
- Mathematical model as instructional materials

CERTIFICATION

Teachers Registration Council of Nigeria (TRCN) Certification and license	2023
Bachelor of Environmental Management and Toxicology.	2021
Nigeria certificate in Education.	2015

PERSONAL SKILLS AND COMPETENCIES

- Creative and analytical thinking and research skills.
- Strong qualitative evaluation skills
- Project management and risk assessment
- Good oral and written communication skills and Good human relation.
- Computer skills in Microsoft word, power point presentation and excel.
- Ability to work effectively with team and superiors.
