PROFILE

A dedicated, determined and enthusiastic research fellow with 3 years of experience in graduate-level research in Anatomy and Microbial Pharmacology. Extensively read and exhibits a high level of commitment towards educational liberation. A confident presenter and teacher, able to develop innovative and creative solutions to problems.

EDUCATION

UNIVERSITY OF IBADAN, IBADAN, OYO STATE

Master of Philosophy (M.Phil.)/PhD in Microbial Pharmacology 2019

Master of Science (M.Sc.) in Anatomy and Physiology 2017

LAGOS STATE POLYTECHNIC, IKORODU, LAGOS STATE

Bachelor of Technology in Microbiology 2012

Higher National Diploma in Microbiology (CGPA 3.78/4) 2011

National Diploma in Science Laboratory Technology (CGPA 3.13/4) 2008

TEACHING EXPERIENCE

KINGSTON COLLEGE, IBADAN

Teacher 2021 – 2023

- Delivered lessons to students using advanced teaching techniques to inspire and motivate them for higher level education.
- Promoted interactive learning by presenting lesson material in a concise manner, which encouraged applied knowledge of theory to real world settings.
- Managed the school website which created an impression of excellence, ensured the website is current and regularly revised and subsequently increased the school's competitive advantage.
-

CODEDHUB & THE ACADEMIST

Private Tutor 2016 – Present

- Facilitate preparatory learning by providing comprehensive instructional coaching in STEM A' Level and O' Level external exams in preparedness for exams such as TOEFL, IELTS, GRE, MCAT, NCLEX, SAT, Cambridge, GMAT, UTME and WASSCE e.t.c
- Evaluate students' performance, note improvements and execute an overall plan to improve students' understanding of science and mathematics and interest in STEM.
- Effectively coach and promote interactive learning through implementation of designated curriculum, reviewing lesson and unit plans which has consistently resulted in student's high performance in these exams.
- International private tutoring with proficiency in syllabuses from countries like Canada, Kenya, United States of America and South-Africa
- Programming Language tutor in over 11 Languages and a product (UI/UX) and graphics designer

CHRISTOWER INTERNATIONAL SCHOOLS

Teacher 2014 – 2016

- Delivered lessons to students using advanced teaching techniques to inspire and motivate them for higher level education.
- Promoted interactive learning by presenting lesson material in a concise manner, which encouraged applied knowledge of theory to real world settings.

- Managed the school website which created an impression of excellence, ensured the website is current and regularly revised and subsequently increased the school's competitive advantage.

UNCLE STEVE INTERNATIONAL SCHOOLS

Teacher

2013 – 2015

- Prepared detailed and interactive lesson plans to accommodate student's learning style, boosting assimilation and understanding of subjects.
- Mentored students to help them develop their intuitive sides and creative interests.

CONFERENCE/WORKSHOP ATTENDED

- GTCO 14th Annual Autism Conference 2024
- School of Politics, Policy and Governance 2024
- 2nd Symposium: mRNA vaccines, COVID-19 vaccine, and improving COVID-19 vaccine uptake in Nigeria 2023
- 39th Annual Scientific Conference and General Meeting 2022
“Microbiology for Economic Diversification and Sustainable Development”

DISSERTATIONS/PUBLICATIONS

- Antimicrobial Evaluation of some selected species | University of Ibadan, 2019.
- Anticancer Effect of Ginger Extract against Pancreatic Cancer Cells Through Reactive Oxygen Species – Mediated Autotic Cell Death | University of Ibadan, 2018.
- Vitality of the Liver | University of Ibadan, 2017.
- The Effects of E.Coli on the Human Body System | Lagos State Polytechnic, 2012.
- Ozonolysis and the Ozone Layer | Lagos State Polytechnic, 2011.

OTHER WORK EXPERIENCE

CODEDHUB SOLUTIONS

Chief Analyst

2019- present

Product Designer

UI/UX Designer

Graphics Analyst

Full stack Developer

THE ACADEMIST

Researcher and Project Manager

2019- present

PHOENIX MEDICAL LABORATORY

Chief Laboratory Technician

2014

- Adequately crosschecked to ensure patients receive compatible blood and products by doing full cross-matching.
- Manage evaluation and documentation of quality control, and maintenance of blood bank in compliance with standard laboratory procedures and risk management guidelines.

PETROLEUM AND PIPELINES MANAGEMENT COMPANY, SHAGAMU, OGUN STATE

Petrochemical Product Analyst (NYSC)

2011 – 2012

- Managed detailed data analysis of petroleum products from preparation and prepared recommendations for system-wide efficiency improvement.
- Managed physio-chemical test on products through supervision of laboratory results to assure that they meet quality requirements.

GENERAL HOSPITAL, IKORODU, LAGOS STATE

Asst. Laboratory Technician (Intern)

2008 – 2009

- Demonstrated excellent knowledge of various analyzers and laboratory processes and testing in chemical pathology using ion selective electrode, electrolyte analyzer and blood gas analyzer.

- Maximized efficiency in processing of patients' samples: eye swab, urine, stool, ear swab and HVS samples; for microbiology, culture and sensitivity.
- Performed various laboratory management practices; interpreted, documented and effectively reported quality control results.

AWARDS AND HONORS

- | | |
|---|------|
| ▪ Department of Science and Technology
Award for Best Academic performance, LASPOTECH | 2011 |
| ▪ Leadership, Mentorship Award
Award for Best Academic performance, LASPOTECH | 2010 |

SKILLS

- Excellent research and analytical skills.
- Familiar with medical laboratory analysis methods.
- Strong analytical and evaluation skills.
- Proficient in Microsoft Office packages (Word, Excel and PowerPoint).
- Critical thinking and problem-solving skills.
- Database Management.
- System Administration.
